

# LOWER THAMES CROSSING

## COMMUNITY IMPACTS CONSULTATION

### Facts about the proposed LTC:

Won't solve the problems at the Dartford Crossing

Dartford Crossing would still be over capacity

Damaging to health and environment

Lack of adequate connections will cause chaos

Fails on World Health Organisation standards for PM2.5

Cost now up to £8.2bn of taxpayers money

6 years of construction, inc 24/7 working

Over 5 million tonnes of carbon emissions

**Respond by Weds 8<sup>th</sup> September 2021**

You do not have to use a Highways England response form. **You can submit your own comments in your own words :-**
