

# LOWER THAMES CROSSING

## SAY NO TO MORE CONGESTION AND MORE POLLUTION

- \* Won't solve the problems at the Dartford Crossing
- \* Dartford Crossing would still be over capacity
- \* Hugely destructive and harmful
- \* Lack of adequate connections will cause chaos
- \* Fails on World Health Organisation standards for PM2.5
- \* Cost now up to £8.2bn of taxpayers money
- \* 6 years of construction, inc 24/7 working
- \* Over 5 million tonnes of carbon emissions

## COMMUNITY IMPACTS CONSULTATION

Ends Weds 8 Sept 2021
